JELD-WEN®

Intentionally curated portfolios of Coastal style windows and doors for any budget

Coastal style is a recipe for easy living. Whether these homes are landlocked or near water, there is always synergy between nature and the interior—which may require a durable layer of protection in high-wind areas. A roster of signature features helps distinguish this resilient yet stunning home design from others, including:

- HVHZ-RATED IMPACTGARD™ GLASS
- CLAD WOOD
- HORIZONTAL SIMULATED DIVIDED LITES (SDLs)
- SOFT EARTH TONES
- ABUNDANCE OF NATURAL LIGHT
- INDOOR/OUTDOOR LIVING
- WOOD OR WOOD LOOK
- PLANK DETAILING
- FLAT-PANEL STYLE

This curated style collection makes it faster and easier to find products that complete the Coastal look within your budget requirements. For easy navigation, product portfolios in this collection are organized by approximate price. Let this be a helpful tool for guiding homeowners to products that achieve the look they want and match the quality and reliability you need for a job well done.
